

ASIM SHAKOOR

FRONT-END DEVELOPER

PROFILE INFO

I'm studying in 6th semester of Software Engineer. I am a highly experienced front-end developer with a strong expertise in creating visually stunning and user-friendly websites. With over 4 years of experience, I have honed my skills in HTML, CSS, and JavaScript to deliver exceptional user experiences. I am also well familiar with latest front-end frameworks such as, React js. I am well-versed in responsive design principles and have a deep understanding of cross-browser compatibility and accessibility standards. I will build a responsive, stunning, and user-friendly website or redesign & redevelop your existing website.

OBJECTIVE

My objective in finding an internship for web development is to gain practical experience and refine my skills in creating dynamic and user-friendly websites. I am eager to apply my knowledge of programming languages and frameworks in a professional setting, while learning from industry experts and contributing to meaningful projects. I also open to work as a front end developer
